

PREMIUM 100% NATURAL HARDWOOD CHARCOAL

Real Hardwood.
No chemicals.
Naturally better.

Kiln fired — and packaged in its natural lump shape with NO additives or chemicals — Better Wood Products® **Premium All Natural Hardwood Lump Charcoal** is easy to light and burns hot to seal in moisture and sear in flavors. Our lump charcoal reaches optimal cooking temperature in approximately 15 minutes — so you will be cooking in no time. Whether slow cooking or quick grilling, kick up the flavor of beef, chicken, pork or seafood with our Premium All Natural Hardwood Lump Charcoal and see why natural really is better.

Why rethink the briquet? Because that's what we do, we make things better. We set out to create a charcoal briquet that gives you the natural wood flavor taste you love, while maintaining the familiar briquet shape you are used to. Using a corn starch binder and only the dust & fines from our hardwood lump charcoal production; Better Wood Products® **Premium Hardwood Charcoal Briquets** are the 100% all natural and safe choice for use in any type of charcoal grill.

Attractively packaged, easily stored and displayed, our products and in-store displays attract attention in any retail environment. All Better Wood Products® are individually UPC barcoded, as well as master carton barcoded. We offer both private labeling and custom packaging to your specifications.
